RELEVANT TERMS

Absinthe

An anise flavored spirit derived from many different plants.

Aperol

An Italian bitter aperitif. Its name comes from the Italian slang word for aperitivo, which is apero.

Angostura

A type of bitter based on gentian, herbs, and spices, by House of Angostura in Trinidad and Tobago.

Cappelletti

A traditional Italian bittersweet red aperitivo, Cappelletti is wine-based and coloured crimson red with natural carmine.

Cordial

Cordials are aromatic sweeteners that can be used to add depth and complexity to any cocktail. They come in a variety of flavors, from fruity to herbal, and can be used in many different ways.

Infusion

The process of steeping ingredients like fruits, herbs, spices, or botanicals in a spirit (like vodka, gin, or tequila) to extract their flavors and aromas.

Lillet

French aromatized aperitif wine and is made by blending Bordeaux grapes with a selection of herbs, spices, and citrus.

Lyre's Non-Alcoholic Spirits

A direct NA replacement for alcohol, easily mixed into your favorite cocktails.

Orgeat

A sweet, almond-based non-alcoholic syrup.

Peychauds

Aromatic cocktail bitters invented in New Orleans.

Pimm's

A type of liqueur with four key ingredients to give it a unique flavor — gin, botanicals, spices, and quinine.

Vermouth

A red or white wine flavored with aromatic herbs, made chiefly in France and Italy and used in cocktails.
